## Early Earth Day opportunity at the NJ Forest Nursery in Jackson! Join ANJEC as we help sort and package seedling for communities throughout NJ!

ANJEC has an early Earth Day opportunity on April 1 for up to 30 volunteers at the NJ Forest Nursery in Jackson.

Volunteers are needed for two hours shifts to help prepare thousands of seedling trees for distribution to municipalities and school children to plant in celebration of Earth Day.

The nursery relies on volunteers to help meet its goal of distributing 500,000 seedlings to replace trees lost in Hurricanes Sandy and Irene.

This is a great opportunity to connect with like-minded volunteers and help keep the Garden State green!

Feel free to bring family and friends.

## WHEN: APRIL 1
