Air pollution from cars
makes us **SICK**

PROBLEM	HEALTHY ALTERNATIVE
Excessive idling	• Avoid idling for more than 30 seconds
Excessive driving	• Walk or bike instead
Excessive use of air conditioning	• Use public transit or carpool
Excessive use of car stereo	• Don't idle more than 10 seconds
Excessive use of car phone	• Practice eco-driving
Excessive use of car radio	• Keep your car well maintained

- What you can do**
- Drive less — walk or bike instead
 - Use public transit or carpool
 - Don't idle more than 10 seconds
 - Practice eco-driving
 - Keep your car well maintained
- WALK**

Auto dependency
makes us **FAT**
