Green Infrastructure Champions Program

- 10 online classes (free)
- Certified after five classes
- Resources provided to certified Green Infrastructure Champions
- Not exclusive to New Jersey
- Creates an army of minions to advocate for green infrastructure

Where are we now?

1. Over 600 certified Green Infrastructure Champions
2. Secured funding to support Champions in underserved communities
3. Train-the-Trainer Program to have Champions design rain gardens for homeowners in their community
4. Program will start again on January 10, 2025, registration will open in November 2024
